Accreditation Status Confirmation

April 4, 2018

To Whom This May Concern:

Control Union Certifications (CUC) is a United States Department of Agriculture (USDA), National Organic Program (NOP) accredited certifying agent. Furthermore, CUC is authorized to issue USDA NOP organic certification to agriculture producer and processor operations that comply with Title 7 Code of Federal Regulations (CFR) Part 205.

CUC accreditation certificate indicates a renewal date of October 18, 2017; however, its accreditation is in good standing and continues to be valid. USDA NOP granted CUC an accreditation term extension until its accreditation renewal assessment is completed. USDA NOP expects the assessment process to conclude during 2018.

For questions concerning CUC's status, please contact the NOP at 202.720.3252.
